

GENERIC GRANT-MAKING POLICY

- GrantScape will only make grants in line with its charitable objectives.
- Grants will be made on a justifiable and fair basis to projects which provide best value.
- Grants will be made to projects that improve the life of communities and the environment.
- GrantScape will make available specific criteria for each of the grant programmes that it manages.
- All grants are subject to meeting the generic grant-making criteria as well as the specific grant programme criteria.
