

Committing Long-Term

1. FOREST CENTRE
2. SENSORY WILDLIFE GARDEN
3. SENIOR RANGER AND VOLUNTEERS
4. RED-VEINED DARTER
5. CYCLE ROUTE

GrantScape understands the importance of committing to projects over the long-term to give them the best chance of success.

In the Forest of Marston Vale in Bedfordshire, we have allocated almost £4.5 million since 1997 to help create and develop the Forest Centre and Millennium Country Park. Our funding has supported the Marston Vale Trust's creation of an outstanding visitor destination which now holds the prestigious national Green Flag Award.
